Elmar's IN THE VALLEY®

Elmar's Boutique Beers

At Elmar's we brew onsite in the Southern hemispheres' largest glass kettle. All our beer is brewed to the German Purity Law of 1516 using only malt, hops, water and yeast.

Ein Stein Pilsner 4.8% alc

A fine example of German brewing tradition, a delicate and refreshing balance of malt and hops in the mouth, leading into a stunningly dry finish with a beautiful bouquet of hop aroma and honey sweetness

Kick Back Weizen 4.8% alc

A traditional Bavarian Wheat Bier made using 50% wheat malt with a thirst quenching burst of banana. With hints of vanilla and a subtle finish of aromatic hops coming through on the finish

Over Draft Alt 4.8% alc

A classic Dusseldorf style Alt Bier, brewed with a blend of dark roasted malts, which in turn contribute to the light copper colour of this beer. Combined with Ale yeast this beer has rich fruit flavours and an assertively hoppy and dry finish

Elmar's Seasonal Beer – Highland Ale 7.2% alc

strong malt characteristics, a fruity flavour, rich golden to amber in colour with a smooth, creamy head.
